The Board of County Commissioners (BOCC) appointed a task force in April 2002 to study the issue of the use of rural properties for home occupation business activities. The task force met between July 2002 and April 2003, and developed a draft ordinance to regulate rural home occupations. County staff has modified the task force recommendation to include urban home occupations and to address other policy and legal issues. The ordinance, if adopted, would

replace current home occupation standards in CCC 18.406.020(I). This hearing will be to consider the proposed ordinance.

The draft ordinance consists of: a statement of purpose; a section on applicability and exemptions; a definitions section; and sections on development and performance standards. The draft ordinance is available on the county's web page at www.clark.wa.gov. Copies of the draft are also available at Clark County Community Development, Long Range Planning, 1300 Franklin Street, 3rd Floor, Vancouver, Washington.
